Tribute from Gerry & Sandy Jensen

Relation: long time neighbours in Ta Ta Creek

We will definitely miss your mother/grandmother. She was one wonderful lady. Yes, she felt strongly about her teaching - whether it was school or Sunday school. We will miss seeing her huge garden growing so well. Our thoughts and prayers are with each one of you. God bless.

Tribute from Deanne Gilbertson (Diefenbach)

Relation: Friend and student

My first experience with school was kindergarten at Ruth's little pink house in Ta Ta Creek. I loved going to school there, though I recall a story that my mom told about Ruth's assessment of me. Ruth quietly asked my mom if I could actually speak. Goodness, anyone who knows me, knows I am not that quiet. I loved that we baked cookies with her. Even back then, she was like everyone's grandmother. As time went on, Ruth introduced me to her church, actually let me ride with her and her husband to Kimberley regularly on Sunday's. She was such an open, and wonderful person. I know she will be missed dearly. Only fond memories for me. Much love to her family.

Tribute from Waites Family

Relation: Neighbor and kindergarten student

Our sincere condolences to the Dovell family. Mrs. Dovell played a very important role in many young lives attending her kindergarten classes in Marysville in the early 60's. Our family has fond memories growing up with many of the Dovell family's in our neighbourhood.

Tribute from Frank and Linda Shufletoski

Relation: Aunt

Our belated condolences to the Dovell families. If there was ever someone who took after their mother, I think it was aunt Ruth. Spent a lot of time as a youngster with cousins Albert, Gerry and Ron. I can still remember never being allowed into aunt Ruth's raspberry patch.
