Tribute from Scott Mallory

Relation: Friend

I will miss my best friend, our phone conversations, text & email messages, but most of all our afternoon tea at Sally and Brian's beautiful home. Sally's refreshing command, "leave your shoes on! Come and sit down. Now, how about whiskey for you Scott instead or with your tea?"

I will always be comforted by my memories of Sally.

Tribute from Ian Patton and Sara Holt

Relation: Friends

Our time at Fort Steele was greatly enriched by meeting and getting to know Sally. Later summer visits back to Cranbrook were always enlivened by a chat and quick photo session with our kids at the Farmer's Market. The community of Cranbrook has lost one of the greats and we know Sally will be missed by many. Sending sincere condolences to Brian and family and Sally's many friends far and wide. We will always treasure our memories of Sally's smile and warmth.

Tribute from Diana Faulkner

Tribute from Susan Barrett

Relation: Long time friend.

When we arrived in Cranbrook in 1971, Sally was the friend who helped us so much to feel at home in Canada. Such a loving and giving person who truly lived life to the full. My love to Brian and to all the family .

Tribute from Noel Ratch

Relation: Friends

What can you say about Sally? Beautiful inside and out, one of the kindest, most generous souls I have ever had the pleasure of meeting in my life. First as a kind supporter to a young contract worker at Fort Steele, to a bedrock to my volunteer program at the Fort, to a long time friend who was always there with a kind word or a wise story. Sally, our family will miss you so...
