I am so sorry to hear that Sheila has passed. We've all known her since she came to Canada, and always cared for her. Our parents thought a lot of her. We all would speak of her beautiful smile, her kindness, and her energy! Condolences and hugs to all of you. The Wodyga Family.

Tribute from Janet Smyth

Relation: Niece

I loved aunty Sheila's visits back to Scotland to see the family when we were kids. She would bring presents that seemed so exotic. I enjoyed visiting Sheila & uncle Tam when I left school. She took me swimming and walking and to Grasmere to meet relatives and her baking was the best. She spoke

with my mum every Sunday and I would hear all about the Canada clan and how everybody was doing. Aunty Sheila was always busy, active and positive. That's how I will always remember her. Love to all the family at this time.

I remember Aunty Sheila's visits to Scotland when I was much younger with great fondness, and always enjoyed chatting to her when we caught up occasionally on the phone. She was always warm, wise and great fun. Sending love and best wishes to all the family, Rosalind xxxx
