Tribute from Judy and Brad

Relation: Niece/nephew

Shannon and Grant it is with our broken hearts that we want you to know that your mom was a great inspiration in our lives. She was definitely one of a kind. I so miss our daily phone calls. She was always so strong no matter what cards she was dealt- never did she wince or feel sorry for herself. Shannon you are definitely your mother's daughter. a great lady!!! We love you and would like to keep in touch.

I had the pleasure of meeting Shirley several times. She was a lovely lady, with a bright and vivacious spirit. On behalf of the Canadian Cancer Society, I would like to share my heartfelt condolences with Shirley's family and friends.

My thoughts and prayers go out to all the family in the loss of Shirley.
I enjoyed having a quick visit or a hello with Shirley and Shannon as we went about our daily lives. She was a lovely person and will be missed.

Tribute from Jane Nixon

Relation: Friend

I will miss Shirley's friendly smile and wonderful garden veggies on my daily walk. I always looked forward to seeing Shirley and was amazed at her extraordinary spirit. She was also an amazing Grandmother and Mother and I have great memories of her coming to watch Danni at Highland Dancing classes at our studio and supporting the entire RSHD studio at dance competitions. Thank you for touching our lives!
