Tribute from Jim Robertson

Relation: Friends in Burton

Sad to hear, Ted and Stasia, good people, good friends here in Burton. Has been years since I last saw them here in Burton at Detta's and when I stopped to see them in Cranbrook in 82. Wondering what happened with Ted?

Tribute from Caroline Huyter

Relation: Friend

Our deepest condolences to Ted and all the family. Stasia definitely had a love of life and we have many great memories of time spent together when they lived in Burton. She had a great sense of humour and there was always lots of laughter! Hugs to the family.

Tribute from Bernice Iarocci

My most heart-felt condolences to you and your family, Yvonne. May you all find comfort in the fact your mom led a wonderful life, full of accomplishment and love.

Tribute from Marjorie Watson Schiller

Relation: Childhood friend

I remember Stasia from Burton. I was just a young girl, but remember her telling me one day, that her maiden name was Mary Frances Sophie Mankiewicz. I guess we were comparing names? I've probably spelled that wrong, but have always thought about her with smiles. I'm pretty sure that my dad drove school bus while Ted taught at the school. She was a great gal and I know she will be missed.
