Tribute from Dianne Lafreniere

Relation: Friend, neighbour and caregiver

I feel very blessed to have known this remarkable, kind, caring and loving person, Sue Giles. . . we were neighbours for over 50 years but I really got to know how special Sue was as one of her careaides. Sue never gave up no matter what she was going through...she always had that beautiful smile or a hearty laugh when we shared a funny story or video. Her greatest love was her family....each one held a special place in her heart. She was always way ahead and kept track of every Birthday, Anniversary or other special occasion. I will remember Sue with fond memories and feel I am a better person for having known Sue. She will now join with angels and family in Heaven and will always continue to watch over her beloved family....love you Sue...till we meet again!

Tribute from Sam and Rhonda Holwell

Tribute from Emmett & Lynn Florea

Relation: Lynn grew up with Jim

Jim: My love & heart are with you as you now navigate life without Sue. She was truly a wonderful person; you will never find anyone who loved her family more. She was soo proud of her kids and grandkids. There really wasn't anything she would rather talk about. She lit up when she could talk about them. She will most certainly be missed. Love and sympathy to each and every member of her family.
