Tribute from Mark Memorial Funeral Services

Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from Heather Butler

Relation: Lifelong friends with his wife Eleanor.

I only met Thom a handful of times over the years of his and Eleanor's marriage, but I knew in those few meetings that Thom was a good, loving husband to his wife Eleanor, a fantastic, loving father to his 3 girls, and Eleanor always mentioned how much Thom loved being a Papa. Thom, along with Eleanor loved their Lord, and Saviour, and Thom exemplified his Love for the Lord in everything he did. Well done, they Good and Faithful Servant.

Tribute from Gordon McCaughey

Relation: Brother

Life hits all head on everyday but Tom was always there for his love of God, his family and his friends! We have seen many early parts of life together as kids growing up in the Sally Ann traveling show with our minister parents! While it wasn't perfect we loved each other in the great mess called life! Picnics in the old Morris Minor on a hooky day from school for our parents and us all picked up from school! Onion bun loaded sandwiches on a blanket all together cause we needed to make moments with each other!

We have experienced loss together! Our other brother Steven Wesley which non of us remember too well as it was a crib passing! Our sister Wendy in 2005! We loved to aggravate her just so she'd pay attention to us! Both our parents now both Promoted to Glory! But we were not alone... we have more than we could have ever bargained for individually and together!

As I recognize the crowd of people mourning for him, I find comfort in knowing that all of you love my brother. I find peace in knowing that he touched your life and that you also touched his heart at some point in his life. I find happiness in knowing that he will live on in all of your memories.

Love you Brother!

Tribute from Merv & Teresa Anderson

Relation: Friend

We met Thom only a few years ago but found our friendship grow the more we got to know him. We enjoyed his rapier wit and unique sense of humor and enjoyed our times together camping, sharing dinner or playing cards.
We were impressed with Thom's love, care and devotion to his family. He will forever live in our hearts and mind. Godspeed my friend.

Thinking of you Eleanor and the family in the passing of Tom. Remember our visit to the Corps where he was doing the Thrift store and his dreams for it.
Also remember his parents. You have all been on a difficult journey and even grateful he is no longer suffering it is still a loss for all of you. May your memories become your treasures. God bless you.
