Mark Memorial Funeral Services Staff send our condolences to family and friends.

Tribute from Jo-Anne Mann

Relation: Friend

We are so sorry for the loss of your dear Verna. What a lovely tribute to your mom—it fits her to a tee! Your mom had a quick wit, loved jokes and having a good time. She was always interested in what was happening in people's lives and had a curious mind, always wanting to learn new things.

Reflect on the good memories to help you through this difficult time.

As Robin said, your mom and dad are now together and dancing!

God's Blessings to you all.

Take Care

Tribute from Bill Betcher

Relation: Knew Verna in Creston, played music regularly at Joseph Creeek

As a regular entertainer at Joseph Cree with both Side x Side and Sugar Moon, I can speak for all of us when I say we so enjoyed having Verna in the audience, so familiar with most of our songs, so enjoying the music, and being a wonderful person for us to relate to! We will miss her but have great memories! Bill Betcher (formerly of Creston).

Tribute from Debbie Thompson

Relation: Friend

Condolences to Verna's family. Our parents, the Salvador's, became good friends during their stay at Joseph Creek. She always made sure our parents were included in the activities and especially the many music sessions. Once our mom moved to longterm care Verna would make her way over to have a visit. She will be missed!

Tribute from Fred & Marion Schindel

Relation: Parish friends

Our deepest condolences go out to all the Thielen families. Verna will be sadly missed. Always a joy to visit with her.

Tribute from Kathy Rieberger

Relation: Met her while my husband & I lived in J C.

Verna made friends very easily I think & I was one of them during my short time in @ Joseph Creek. She kept everyone on their toes. I'm hoping you, her family will all enjoy many of your memories at this. I know she is dancing & singing in heaven with all the loved ones who have gone before her.

Tribute from Madeline Colberg

Relation: Friend and extended family.

What a beautiful tribute to Verna. Her life was full of action and touched many people. For us, my sisters and I, her letters and messages of encouragement when our Mother died (and long after) were so thoughtful and considerate. Also, especially when my husband Tom died, I was touched by her ongoing care and attention. It is how I will remember her, as someone 'who took the time'. My sympathy to all of Verna's family at this sad time.
