Tribute from Arla Ford

Relation: My Dad's wife from about 2000.

Waneta was married to my dad, Duane Hock. They came out to Oregon a couple times to visit us and we got to visit them in Keosauqua a couple times so I got to meet her dogs too. She was quite the reader and had such a wide scope of life experiences and opinions. I was shocked and saddened to her of her tragic death. No one deserves that and her sons and grands certainly did not. I am so sorry for your untimely loss.
