Wayne was loved and will be missed by his brother and sister-in-laws, nieces and nephews and extended family Wayne was predeceased by his parents Jessie and Wilfred Stone and brother Robert.

Wayne began school in Kimberley before attending vocational School for Carpentry. He was initiated in the Carpenters Local 1719 in 1961 and apprenticed with Kootenay District Council of Carpenters & Woodworkers building houses & Industrial Work. In 1967 he became Business Agent for the Kootenay District and moved his family from Chapman Camp (Kimberley) to Cranbrook. In 1973 Wayne sat on the Advisory Board of the East Kootenay College which later became the College of the Rockies. In 1973 Wayne moved his family to Delta when he became Assistant to the Administrator of the Carpenters Workers Health , Welfare & Pension Plans.

Wayne was active in Co-op Housing which provided many hours of Union jobs. He represented The N.D.P. on the Handicap Guild, was a Director for C U & C Health Services Society (now Pacific Blue Cross). Wayne was also on the Provincial Pension Advisory Board and Wayne ultimately took over the job as the Administrator of Carpenters Health, Welfare & Pension Plans until he retired.

In the Spring of 2000 Wayne and Barbara moved to the Stone family property in the Village of Moyie where he began building their dream home. They moved in just in time to host their children and their families for Christmas that year. Wayne

immediately started volunteering for Moyie Community Association (MCA) and became the Chairperson in 2002. This was a Position he was proud to hold for 15 years and he became known as "the Mayor of Moyie".

Respected by many, his biggest joy in life came from being a dad, a Papa and spending time with friends and family. He loved to help friends and neighbours in big and little ways. He cut the Community grass for 20 years, made hand crafted signs for the town, finished the interior of the Moyie Museum and looked after many a community property.

Wayne loved to fish, ski, boat and spend a lot of time outdoors (only some of which was spent trying to hide from "Nana" to sneak a Century Sam). A self taught Master Carver, Wayne's ducks are so detailed and special they are prized by anyone who was lucky enough to be gifted one.

Taking five on the deck overlooking the Lake with a beer and a cigar in hand is how we will remember you best.

We will miss you Wayne, Dad, Papa, Uncle and Friend.

Life just won't be the same without you to share it with.

Darn Papa !!!

Due to COVID restrictions, a Celebration of Wayne's life will take place during the summer of 2021. This is My Wish for You

This is my wish for you: Comfort on difficult days, smiles when sadness intrudes, rainbows to follow the clouds, laughter to kiss your lips, sunsets to warm your heart, hugs when spirits sag, beauty for your eyes to see, friendships to brighten your being, faith so that you can believe, confidence for when you doubt, courage to know yourself, patience to accept the truth, Love to complete your life.

For each thorn, there's a rosebud; For each twilight, a dawn; For each trial, the

strength to carry on, For each storm cloud, a rainbow; For each shadow, the sun; For each parting - sweet memories when sorrow is done.
