Tribute from Terry Leal

Relation: Friend

I am so sorry to hear of Bill's passing. What a fun loving man. I sang with him in the Kootenay Harmony Chorus for many years . Barb and I golfed with Bill and Laura, one time in PEI, went mountain biking in Idaho. He was a great community minded person, always lending a helping hand to whomever needed it. I'm at a loss for words at this very sad time. My condolences to Laura and her family, and Bills' siblings. This man will be missed.

Tribute from Janet Smith

Relation: Childhood friend

My condolences Laura and family. I grew up with “Billy” in Castlegar. I enjoyed running in to him in Superstore a couple of times a year where we would catch up on the latest Castlegar news. He was a great guy with the greatest smile.

Tribute from Berne Jean Worobey

Relation: Cousin

Laura I just wanted to say how shocking it was to hear of Bill's passing. I'm 2 years older than him and we had many fun cousins times together growing up. His parents were my favourite aunt and uncle. My last memory of Bill was at the family reunion in Kelowna about 10 years ago and I remember thinking "what a nice man, what a sense of humor, how funny." He will be sadly missed by you and your girls but I'm sure you have many fond memories to ease the pain. I wish you well as you start a new chapter in your life.

Tribute from Edward Haywood

Relation: childhood friend

Bill and I went through grade school and high school together and spent a year together at UBC--sharing an apartment for that year. We had a lot of fun together and I spent a lot of time with his family in Kinnaird. I am so sorry to hear of his passing. It is like a chapter from my past has closed. My condolences to his family.
