Tribute from Laurie Jacob

Relation: Friend

Bill was a part of our family gatherings many times in the last several years. He was kind, fun, and witty in his sense of humor. He enjoyed being part of a multi generational gathering for which the vibrancy of small children filled the room. He made many of us laugh and will be missed by all of our family. It is sad that isolation and Covid 19 defined how he spent his last year however lived his long and vibrant life to the fullest up until then.
