Tribute from Andy Reutgen

Relation: Friend

Wyonne was a great lady. I am so glad I met her when I moved to Kimberly many years ago. I am glad all my kids were able to meet her. She will be greatly missed because some people just stand out in our memories, and she was one of these people. So sorry for your loss.

Tribute from Elaine Spence Falconer

Relation: Cousinâ€™s Wife

To the Family of Wyonne Spence Harding: I was sorry to learn of your mother's passing earlier this year. I met her many years ago when we visited your Uncle Bill and Carol in Kimberly and Wasa. In fact I think she may have taken us to bingo. I discovered her passing only recently as I was doing some research on the Spence family.

I was trying to find some information about your Dad to add to a family history I am pulling together. My father, Arthur, better known as Kit, was a brother to your grandfather, Frank.

Your mother seemed like a lovely person. Sending you my sincere condolences,

Elaine Spence Falconer (Lainie)
